Updates from Committees

Logistics: Volunteer slots are still open at the time of the meeting. They developed an agenda for the planning committee meeting and identified potential restaurants for catering the meeting. They spoke briefly about food to provide during breaks and general serving needs. Idaho staff is finishing up with final details like registration packet materials and gifts. The Idaho State History Museum will not be open at the time of the conference, so it was removed as an option for the Thursday networking opportunities.

Programming: There has been communication via e-mail regarding the official template for the presentations and the deadline for submissions.
