

BARD (Braille and Audio Reading Download) is an online, password-protected service that provides access to hundreds of thousands of audio and braille books, magazines, and music scores available from NLS. The service is available as an application on a Mac or Windows computer or on an iOS or Android mobile device. The mobile application, known as BARD Mobile, includes built-in playback features so you can enjoy talking books anytime, anywhere. BARD Express allows you to play talking books on a Windows computer.
