

## **05-30-18 KLAS Users' Group Officers' Meeting Notes**

### ***Attendees:***

Craig Hayward, North Carolina LBPH, President

Chandra Thornton, Palm Beach County Library Talking Books, Vice President

Erin Pawlus, Arizona Talking Book Library, Secretary

Andrea Callicutt, Keystone Systems

### ***Feedback from Boise and Conference Wrap Up Info***

The officers went over the feedback that has been collected thus far, and they reviewed comments about the programming and the conference as a whole. They discussed options for the next conference based on suggestions from attendees. Ideas were offered to make the process as helpful as possible for both new and experienced presenters. An e-mail reminder will go out in the next week or so in case more people were interested in giving feedback about the conference.

### ***KLAS UC 2019***

West Palm Beach is still interested and hopeful about hosting in 2019. There will be a presentation tomorrow for the director and assistant director. There is at least one alternative location if necessary.

### ***NLS National Conference Business Meeting***

Craig has prepared an agenda for the meeting, and will confer with a couple of people before finalizing.

### ***Officer's Missive***

Erin will send out the next missive to the group, and will highlight a page on the KLAS Users website asking for input about how libraries are training their staff and how Keystone can help. It will go out before the NLS National Conference.

### ***KLAS Trivia Suggestions***

Everyone came up with a few possible trivia questions.
